Frequently Asked Questions

● If I request a vote-by-mail ballot, can I still vote in-person?

- **Yes!** As long as you have not submitted your vote-by-mail ballot to the SOE, you can vote in-person. We highly recommend that you request a vote-by-mail ballot

even if you plan to vote in-person. It is a great back-up to have in case your schedule gets busy or you experience poll closures / polling location changes.

- **Is there a deadline to request a vote-by-mail ballot?**
 - **No! Unless you want it in the mail.** You can request your vote-by-mail ballot up until Election Day. However, if you want the ballot mailed to you, the deadline to request a vote-by-mail ballot is no later than 5 p.m. on the 10th day before the election. We encourage you to place your request sooner, so you do not experience wait times or delays.
- **Can I request a vote-by-mail ballot for someone else?**
 - **Yes, if they are immediate family members or legal guardians!** Florida has defined immediate family as the voter's spouse or the parent, child, grandparent, grandchild, sibling of the voter, or sibling of the voter's spouse. At the voter's request, if you are an immediate family member or legal guardian, you may contact the SOE on their behalf.
- **How can I track my vote-by-mail ballot request?**
 - Every county SOE allows you to track your ballot on their website! Find their website by visiting the directory linked above.
